

Years 5 and 6

Monday	<p><u>Maths:</u> <u>TT Rockstars:</u> Try some daily rockstars. Can you challenge other children to battles and can you improve your time and score? <u>My Maths:</u> There are plenty of tasks on My Maths for you to complete. I'm checking the activities online myself and know that there are a number for you to choose from! <u>Activity:</u> Can you follow a recipe at home? Weigh your ingredients using scales and ensure you follow the recipe correctly. Can you take pictures of your creation?</p>
	<p><u>English:</u> <u>Reading:</u> Try to read some of your book every day. When you finish a book, complete a book review in your green book. <u>SPAG:</u> Use spag.com and choose a task that you would like to complete. <u>Writing:</u> Use the picture at the end of this document (the tree). Can you write descriptive sentences about it? Think about different sentence types and different vocabulary choices.</p>
	<p><u>Topic:</u> <u>Computing:</u> I would like you to set up your own blog on Purple Mash. I would like you to share the things you are doing at home and comment on other children's in school. This will help us to all stay in touch with each other and communicate. Remember that you can email me or your friends at any time on Purple Mash and you can send pictures to rebeccataylor@st-marys-sabden.lancs.sch.uk</p>
Tuesday	<p><u>Maths:</u> <u>TT Rockstars:</u> Try some daily rockstars. Can you challenge other children to battles and can you improve your time and score? <u>My Maths:</u> There are plenty of tasks on My Maths for you to complete. <u>Activity:</u> Using your recipe from yesterday, can you use your ratio skills and change the recipe? Imagine that you are creating the recipe for more people e.g. 20 people (Just like we did with our shepherds pie and lemon cake). Can you write the ingredients and amounts for more people? You will need to use your multiplication skills.</p>
	<p><u>English:</u> <u>Reading:</u> Try to read some of your book every day. When you finish a book, complete a book review in your green book. <u>SPAG:</u> Use spag.com and choose a task that you would like to complete. <u>Writing:</u> Think about and use the picture from yesterday. Create a story mountain/plan for your own story based on the picture. The picture needs to be your setting but everything else is up to you!</p>
	<p><u>Topic:</u></p>

	<p><u>Art:</u> Using Purple Mash, can you complete the 2do tasks called 'Shading- cube, sphere and cuboid'. This is an art activity linked with our science of using shadows. Think about the shading that we did in class and the shadows on faces/portraits to help you along with our use of torches in Science!</p>
<p>Wednesday</p>	<p><u>Maths:</u> <u>TT Rockstars:</u> Try some daily rockstars. Can you challenge other children to battles and can you improve your time and score? <u>My Maths:</u> There are plenty of tasks on My Maths for you to complete. <u>Activity:</u> Use the Mocktail recipe at the bottom of the sheet. Imagine that you have 375ml of grapefruit juice. How much of each other item would you need? What if you doubled the amount of grapefruit juice? What if you only had 50ml of grapefruit juice-would it still be possible to make the mocktail? Try some of your own amounts and see if they work!</p>
	<p><u>English:</u> <u>Reading:</u> Try to read some of your book every day. When you finish a book, complete a book review in your green book. <u>SPAG:</u> Use spag.com and choose a task that you would like to complete. <u>Writing:</u> Use your story plan from yesterday to write your own story. Think about an opening, build up, event and then resolution. Include description and speech to develop your story.</p>
	<p><u>Topic:</u> <u>Art:</u> If the sun is out, can you create some real shadow art. Take an object (it can be a toy/ action figure or even a plant). Place the object in between the sun and your piece of paper. The shadow of the object should appear on the paper. Draw around the shadow and then colour/decorate the scene however you wish!</p>
<p>Thursday</p>	<p><u>Maths:</u> <u>TT Rockstars:</u> Try some daily rockstars. Can you challenge other children to battles and can you improve your time and score? <u>My Maths:</u> There are plenty of tasks on My Maths for you to complete. <u>Activity:</u> Thinking about the mocktail recipe from yesterday, can you create one of your own? Think about what you would put in it and what fruits you might include. You might choose to make a recipe for a milkshake instead. What would you include? You need to think about the amount of each ingredient you would include. What if you made the recipe for more people or less? How would the amounts change?</p>
	<p><u>English:</u> <u>Reading:</u> Try to read some of your book every day. When you finish a book, complete a book review in your green book. <u>SPAG:</u> Use spag.com and choose a task that you would like to complete. <u>Writing:</u> Imagine that the picture from this week is real and in the world around you. What could have happened? Can you plan a newspaper report based on the image. Think about and research what is in a newspaper report. Speech/quotes from witnesses,</p>

	<p>formal language (apart from in the speech itself) and information on what has happened. Plan your own report and layout. (Your report will be made up and fictional as the image is but don't worry!).</p> <p><u>Topic:</u> <u>Science:</u> Hopefully today there will be some sunshine! If not, you can do this activity on another day. Could you create a homemade sundial? You can do this using a piece of paper/ paper plate, blue tac and a pencil or stick. (you can see examples online) Can you see how the shadow changes during the day? You can draw the shadow line onto the sundial to show the time that it has been created. You could also take pictures of the sundial and shadows throughout the day and keep these in your home learning book and also send them to me!</p>
Friday	<p><u>Maths:</u> <u>TT Rockstars:</u> Try some daily rockstars. Can you challenge other children to battles and can you improve your time and score? <u>My Maths:</u> There are plenty of tasks on My Maths for you to complete. I'm checking the activities online myself and know that there are a number for you to choose from! <u>Activity:</u> I know there are lots of the activities to search through, but on My Maths there are some Ratio and Proportion tasks that have been set. Can you complete these?</p> <p><u>English:</u> <u>Reading:</u> Try to read some of your book every day. When you finish a book, complete a book review in your green book. <u>SPAG:</u> Use spag.com and choose a task that you would like to complete. <u>Writing:</u> Using Purple Mash, can you type up your newspaper report. I've set it as a 2do task for you. You can add pictures to it too!</p> <p><u>Topic:</u> <u>Computing:</u> Can you complete more coding tasks? This would have been something that we would have worked on in class when looking at our computer game ideas. I have set 2 2do tasks called 'Air Traffic Control' and 'Snail Race'.</p>
Extra Learning	<p>There are many zoos around the country who are sharing live feeds of the animals. You could tune in and watch some of the animals. Could you draw them or write about what they are doing?</p> <p>At the end of each day, write down 3 positive things that have happened. You can record these in your home learning book. You could also ask the adults in your house to do the same thing.</p> <p>You could write a daily journal of the things that are happening in your house. What have you been doing? What activities and learning have been taking place? What fun things have you been doing?</p> <p>Enjoy colouring or drawing. Mindfulness colouring can calm you and also take time. You end up with a lovely piece of artwork afterwards too!</p> <p>Maths Prodigy is available to play along with Read Theory.</p>

Writing Picture:

Miss Taylor's Mocktail:

This drinks recipe uses the following amounts:

- 3 parts cranberry juice
- 3 parts grapefruit juice
- 2 parts peach nectar
- 1 cherry for the top
