

## Year 1/2

Monday

**Maths:** Keep counting in multiples. Can you write them down as times tables eg  $1 \times 2 = 2$ ,  $2 \times 2 = 4$  ...? What number can you get to? Use your TT Rockstars Log in to access your own times tables games. (These should be set at 2,5 and 10 for Y1 and 2,3,5 and 10 for Y2. Please let me know if there are any problems with the settings.)

**English:**

**Reading:** Try to read every day. This can be a school reading book, a book of your choice from your collection at home or a comic. If you read an amazing book, send me an e-mail to tell me all about it or ask a grown up to take a photo of your work to send to me! Don't forget to watch my story on the website too! What would you like to hear?

**Phonics:** Keep using the Teach Your Monster to Read App and the Monster Phonics App and work through some of the phonics games, daily. Please also keep working on spelling some of the high frequency words on the word card that we sent home too. Try to apply the words in sentences too.

**Writing:** How are you getting on at home? Send me an e-mail telling me what you have been up to. Try to type it yourself! Use your word card to help you with the common words. 😊

**Topic:**

During Holy Week we would like you to think about Easter. Start by reading the Easter Story in a Bible or watch this retelling:

<https://www.youtube.com/watch?v=0PSgoPdKQFQ>

Miss Halstead will be talking to you about the Easter story, on the website this week, too. 😊

Yesterday was Palm Sunday when Jesus rode in to Jerusalem on a donkey. Can you make some palm leaves?

Maybe you could act out this part of the Easter story with your family?

Tuesday

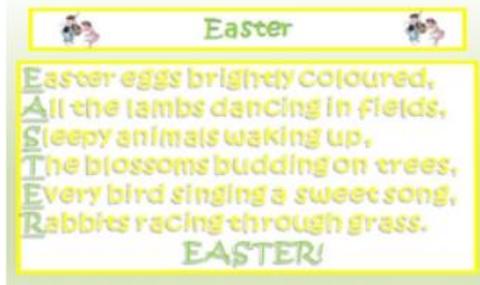

**Maths:** Use a clock to make 'o'clock' and 'half past' times. Ask a grown up to make times for you to identify then make some times yourself on the clock. Once you are confident with o'clock and half past, move on to 'quarter to' / 'quarter past' times. Some of the Y2s might even be able to find times in 5 minute increments. Eg twenty five past 10, ten to 4 etc. (Please do not work on digital times quite yet though.)

Writing: Use the letters from the word EASTER to write an acrostic poem. Here is an example to look at:

Topic: Last week I suggested that you might like to start making an Easter garden. I thought that I would add a photo of one for you to look at. I would love to see some photos of your completed work. Can you find natural materials to make it with?

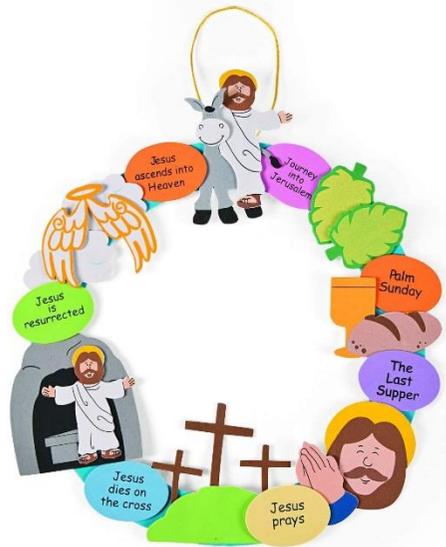

Wednesday

Maths: Can you find 10 more and 10 less than random numbers to 100? We use the splat square to help us with this at school. <https://www.primarygames.co.uk/pg2/splat/splatsq100.html> Challenge yourself to find 20 more and less or 30 more and less. Some Y2s could also find 11/21/31 more and less too. 😊

Talk about how Jesus washed the disciples' feet at the Last Supper. Can you find ways to help the other members of your family? Write a list of the ways that you have helped others today.</p>
	<p><u>Topic</u>:</p> <p>Try to make an Easter wreath showing the Easter story. Here is a lovely example that you might like to copy:</p>

Good Friday

Friday

I wish you all a very peaceful Easter. Lots of love to you all. I am missing you x

Extra Learning  
(I will add to  
this each  
week!)

Play hide and seek, bake a cake, play board games, make a den, build some lego, have a tea party, put on a puppet show, make some friendship bracelets, paint some rocks, create your own monster ..... use your imagination and have lots of fun!

Gabby made an Easter bonnet last week! Can you make one too?

Here are a few more websites containing fun activities for whilst you are at home:

Oliver Jeffers is reading one of his lovely stories at 6pm every day, then uploading it at the following address. Enjoy!
