

*Barely There Mary Bear's*

Guide to

Going to School

St Mary's RC Primary School

May 2021

Remember me?

I am Barely There Mary Bear and I want to help you to learn more about your new school.

This is your new school.

It is called St Mary's.

You will be in Class 1.

Class 1 will have 30 boys and girls in it.  
They will all want to play with you.

These are your teachers.

Mrs Nowell – she will learn with you on Mondays, Tuesdays and Wednesdays.

Miss Halstead – she will learn with you on Thursdays and Fridays.

Miss H is also your Headteacher.

Class 1 has two lovely Teaching Assistants.

Mrs Lingard  
And  
Miss Thoburn

They can't wait to learn and play with  
you.

Let's look at other things you will see in school.

You will have your own hook for your coat and bag.

These are your toilets and they are in  
your classroom.

We also have a sink where we wash our hands.

It is really important to keep our hands clean.

What else shall we  
look at?

We have lots of lovely equipment for  
you to use.

What can you see on the next pages?

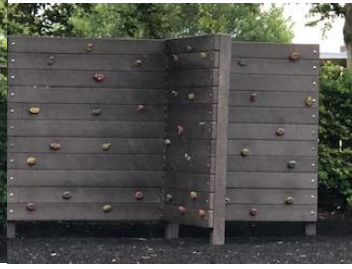

Every day you will get a drink of milk

and some delicious fresh fruit.

We play outside 3 times a day.

This is Freddie Frog – we feed him our playtime rubbish.

We also have our own outdoor classroom space.

You will get to choose what we put out here.

We have a beautiful prayer garden.  
This is our school prayer.

School Prayer

Dear Lord,  
At St. Mary's we work hard  
and remember that  
everyone is equal.  
We treat others with kindness,  
love and respect.  
Help us to do all this  
by keeping Jesus beside us  
as we work to fulfil our dreams  
Amen

We will go into the hall for assemblies,  
PE and to eat our lunch.

Mrs Lingard will be in the hall with you  
at lunchtime.

We have two other classes in school.

Class 2 with Mrs Robinson.

And Class 3.

I hope you have enjoyed learning  
about your new school.

Don't forget I can fit in your  
pocket and be a good friend to  
you.
