Dear Y6 Parent,

SEX & RELATIONSHIP EDUCATION

In accordance with the National Curriculum and the Diocesan Curriculum, Sex and Relationship Education (SRE) is taught at St Mary's and during the summer term. Children will be taught in their separate year groups and sessions will be age related.

The scheme of work is called 'A Journey in Love' which is the recommended programme of study for Catholic schools for Sex and Relationship Education.

As we follow 'A Journey in Love', an aspect of the mystery of love is focused upon in each session and children are encouraged to marvel at the wonder and beauty of God's creative love. As with all aspects of learning, children are naturally curious and many will have questions related to their lessons. Opportunities for discussion form an important part of the lessons and again these are treated with care and understanding.

'A Journey in Love' highlights the importance of parental input and children will be encouraged to discuss their lessons at home. Please see the attached sheet which highlights what is taught to our Year 6 children. If you need any further help or advice then please contact Mrs Holland via email or the school office. Please note that, as a parent, you have the right to withdraw your child from Sex Education at any time if you wish to do so.

Kind regards.

Yours sincerely,

Claire Halstead
